Hi Kathleen,

I have a couple of questions about this PN. Do you have time to talk briefly this week? I'm open all week except Thursday morning.

Thanks,

Melissa

Project Name: Phase 1 Villages at Vigneto

Corps File No.: SPL-2003-00826-KAT

Waterbody: San Pedro

City: Benson

County: Cochise County

Mailing Lists: Arizona and General

Comment Period: October 6, 2017 to November 4, 2017

The Corps Regulatory Division is soliciting comments from the public and Federal, state, and local agencies and officials, Native American Indian Tribes, and other interested parties for consideration and evaluation of the impacts of this proposed activity. Instructions for commenting are included in the Public Notice which is available at the above link.

The Corps Regulatory Program evaluates permit applications for most construction activities that occur in the nation's lakes, rivers, streams, oceans, and wetlands. Written comments received during the public review period will be considered by the Corps and will become part of the administrative record for the decision.

You may contact Kathleen Tucker, Project Manager at (602) 230-6956 or via email at Kathleen.A.Tucker@usace.army.mil with any questions or comments regarding this matter.

You may also see a list of Final Regulatory Actions at the link below. On the left side menu, click on Final Regulatory Actions:

Regulatory Program Goals:

- To provide strong protection of the nation's aquatic environment, including wetlands.
- To ensure the Corps provides the regulated public with fair and reasonable decisions.
- To enhance the efficiency of the Corps' administration of its regulatory program.
